

KB1019 Clean installation of Age of Empires II with the latest patches

This article applies to all operating systems.

Step-by-step guide

Please make sure to close Voobly, before performing a clean installation of Age of Empires II, else you will run into more problems.

1. Uninstall Age of Kings and Age of Conquerors in Control Panel.
2. Delete the folder **Age of Empires II** in **C:\Program Files (x86)\Microsoft Games**.
3. Run the Age of Kings setup.exe using the original CD-Rom.
